

Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to providing top quality and new design concepts so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like providing items that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and requirements along with their knowledge of cleaning applications, along with owners' strong desire to significantly lessen cost through productivity gains.

When needed, the employees within TREK and its numerous dealer members in both technical support and parts will be obtainable. Amongst their core values is their high service commitment in their customer service. Keeping their customers' cleaning machines ready and running everyday is top priority. The company's top of the line technology delivers dependable machine that eventually lessens your cleaning expense. The product, the price and the service all work as one to be able to make them an industry leader.
