

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known within the business as strong and durable machinery which suits the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln could provide equipment, parts and warranty service for these kinds of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of many facility managers where efficiency and results matter. Recently, this floor scrubber model has been requested by the architects in different construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
